Summary of reasons for decision:

The DVD contains the American crime drama 'The Place Beyond The Pines', a short behind the scenes featurette, and four deleted scenes related to the feature. The feature was previously classified in 35mm film format as R16 with the descriptive note "Violence, Offensive language, and drug use" (OFLC: 1300468.000, decision registered 12 June 2013). The content of the DVD feature has been verified as identical to the previously classified film version.

The small amount of extra material on the DVD is similar in tone to the feature and does not require any alteration to the classification or descriptive note given to the previously classified film version.
